

**SHAUN SERVAIS**  
**Administrator**  
**Armed Forces Retirement Home**  
**Washington, DC**

Shaun B. Servais is the Administrator for Armed Forces Retirement Home-Washington, DC (AFRH-W). He was appointed to the position October 6<sup>th</sup>, 2014.

Mr. Servais serves under the direction of the Chief Operating Officer (COO), who is the senior management official of the AFRH Agency. Mr. Servais is responsible for assisting the AFRH COO in executing the agency's mission, policies and programs, and assures compliance with Federal statutes, regulations and applicable decisions and directions. He provides oversight and ensures coordination of the AFRH-W activities with the facility's infrastructure departments, which include the Corporate Business Resource Office, Health Care Services, Resident Services, Campus Operations and Support Services. He supervises the facility's Service Chiefs.

Before joining the leadership team of AFRH-W, Mr. Servais was a Licensed Nursing Home Administrator (LNHA) working in a hospital health system in Savannah, GA. He is an experienced manager of Continuing Care Retirement Communities (CCRC) and held positions as Health Center Administrator and Director of Health Care Administration during his seven-years living in Georgia.

He earned his NHA license in after completing a year-long practicum in a central Iowa CCRC. The practicum included rotations in all the CCRC's service departments and was combined with an Administrator-in-Training curriculum. Mr. Servais holds a Bachelor of Science degree in Health Care Administration from the University of Wisconsin-Eau Claire (UWEC) and a Master of Business Administration from Georgia Southern University. As an active member of the student organization

American College of Healthcare Administrators, Shaun held the officer positions of secretary, vice-president, and president where he helped to mentor underclassmen at UWEC.

Shaun is a graduate of Century High School in Rochester, MN where he participated in track and field and intramural sports. He currently resides on the AFRH-W campus with his wife Emily and two pets.
